The Client acknowledges and confirms that if the Contractor considers the assignment of rights under the Agreement concluded with the Client (clause 2.11.1 of the Agreement) to third parties or when third parties are engaged by the Contractor to perform actions aimed at collecting the Client's indebtedness, the consent to transfer of his personal data and data on his Agreement to such third parties is considered to be provided by the Client to the Contractor. In the event of assignment of rights under this Agreement, the Contractor shall not be entitled to notify the Client about this. The Client hereby agrees not to receive any notification of the assignment made by the Contractor in accordance with this clause of the Agreement.

Conclusion of the Agreement

2.12. The conclusion of the Agreement between the Contractor and the Client is carried out by the Client's acceptance of the conditions set forth in the Agreement in accordance with Article 634 of the Civil Code of Ukraine. The Client's consent to the terms of the Agreement and its appendixes is complete and unconditional.

2.13. This Agreement was signed using an electronic digital signature in the manner prescribed by the Law of Ukraine "On Electronic Documents and Electronic Document Management" and "On Electronic Digital Signature".

2.14. The Contract is considered concluded by the Parties from the moment of receipt by the Client of the status (approved) (directly, upon filing the application via the mobile application).

In cases provided for by the Agreement (including for certain Tariffs), confirmation of accession, acquaintance with the terms of the Agreement, the Client's consent to the terms of the Agreement and its appendixes, the Client's consent to compulsory performing of the Agreement and its appendixes, consent to processing personal data is considered to be duly given by the Client to the Contractor and the Agreement between the Client and the Contractor shall be considered concluded when the Client performs the following actions using special features the Mobile Application or Website:

- Filling in the registration form via the original mobile application.
- Ticking the relevant fields when registering a new Client via the original MobileCar mobile application.
- Proper entry of payment card data;
- The Confirmation of Accession signed by the Client

After the completion of these actions and the accession to this Agreement, the Client can not invoke the fact that he/she is not acquainted with the Agreement and / or its appendixes (in full or in part) or does not recognize as mandatory in privity of contract.

2.15. The Client understands and agrees that Confirmation of accession is a unilateral document, and therefore the signature of the Contractor's representative thereon is not mandatory by law.

In addition, the confirmation of the accession to the terms of the Agreement (conclusion of the Agreement) on behalf of the Client is also completion of the Client's registration in the Mobile Application and performing activities, using the functionality of the Mobile Application, aimed at obtaining the Use of the Vehicle (the application for the use of the Vehicle, the reservation of the Vehicle).

In the event that a person gained access to the functionality of the Mobile Application without the grounds specified in this section, they immediately notify the Contractor and undertake not to use the opportunities opened by such access. Otherwise, all actions performed on behalf of this person using the Mobile Application will be regarded as actions committed directly by that person.

2.16. Accession to the Agreement means the possibility (except for cases of blocking of the Account in accordance with the Agreement) of the Client to use Vehicles under the Agreement within any Permitted Zone. At the same time, the Client agrees that certain conditions (including Tariffs, territorial restrictions, Client requirements, rights and obligations, etc.) may differ in different Permitted Zones.

2.17. This Agreement may be extended to:

2.17.1. in electronic form:

- by e-mail - in the form of a file containing an electronic image with the text of the Agreement.

Notifications

2.18. Any information is communicated to the Client in the following ways, at the Contractor's choice:

- by posting on the Contractor's Website on the Internet (<http://MobileCar.com.ua>), or
- by sending written notifications to the e-mail address indicated by the Client, or by sending SMS-messages to the contact number of the mobile phone indicated by the Client, or
- by sending relevant information to the organization with which the Contractor entered into the Agreement, if the Client is an employee of this company, or
- by other generally available means.

2.19. The Client agrees that the Contractor has the right to call and send voice and SMS messages of notification character containing information on the amount of current and overdue debts, other information related to the services provided to the Client, information on changes in the terms of the Agreement (including Tariffs of the Contractor), new services, other news, as well as promotional messages to the contact phone number of the Client's mobile phone.

2.20. The Client agrees that the Contractor has the right to send information concerning changes in the terms of the Agreement, Tariffs, new services, and services provided to the Client, other news, as well as promotional messages to the e-mail address specified by the Client upon the Registration (as well as to another e-mail address stored in the Account).

2.21. The Client gives his/her consent to receive information from the Contractor specified in cl. 2.19, 2.20 of the Agreement to the mobile phone number / e-mail address specified by the Client when registering in the MobileCar Mobile application or on the Website, in other documents presented by the Client to the Contractor. The Contractor is not liable for any damages caused when the Client did not receive voice and SMS message and electronic message or when an unauthorized person received voice and SMS message and electronic message.

2.22. If the Client is outside the territory of Ukraine or if the Client uses the mobile phone number of a foreign mobile operator as a Contact number for a mobile phone, as well as for the purposes of receiving SMS service and / or Generated passwords, due to the peculiarities of the operation of mobile operators' systems, the risk of late receiving or not-receiving SMS messages by the Client from the Contractor increases.

The Client is notified of this risk, understands it fully and takes it into consideration when going abroad, and also when communicating to the Contractor his/her mobile phone number as the Contact number of the mobile phone, as well as for the purposes of receiving SMS-service and / or Generated passwords.

MobileCar Software

2.23. The Client acknowledges that the MobileCar Mobile Application and the Website are sufficient to ensure proper operation when receiving, transmitting, processing and storing information, as well as to protect information from unauthorized access, to confirm authenticity and authorship of Electronic Documents, and to analyze conflict situations thereon. The client trusts the software of the indicated systems. The client agrees that the software is constantly being improved, and therefore technical problems in the operation are possible. The user accepts the software used to implement the MobileCar service, "as is", without raising claims to the operation of the Website, mobile applications, or other software.

The Client agrees that the data of the MobileCar software (including navigation systems) in conjunction with the data on the activities from the Client's Account are sufficient data confirming the Client's actions, behind which the corresponding account is assigned, at the time determined by the software (including the periods of the Session of Use, the use of certain Tariffs, the path of motion, etc.).

In case of disagreement with this condition, the Client agrees to stop using the MobileCar service and terminate the Agreement by signing an application for cancellation of the Agreement (Appendix No. 5). The Client is obliged to sign the application with his/her own hand and send it to the e-mail of the Contractor mobilecarodessa@gmail.com. Compensations are made by transferring to the client's bank account or a card that was used to send payments in the MobileCar application (the Client undertakes to communicate the details of the bank card to the e-mail of the Contractor)

Rights and Obligations of the Parties

2.24. Rights of the Client (with an unblocked Account) are:

2.24.1. to demand from the Contractor to fulfill his obligations under the Contract;

2.24.2. to use the Vehicle in accordance with the terms of the Agreement and the requirements of the current legislation of Ukraine;

2.24.3. to reserve, rent from the Contractor any available vehicle (marked as available on the Website or in the Mobile application) located in the most accessible place for the Client, by means defined in the Agreement;

2.25.10. (at the first physical opportunity from the moment of occurrence of the relevant circumstances) to notify immediately the Contractor by phone: 048-700-15-04 or 0-800-750-630 or at MobileCarodessa@gmail.com (or in other ways determined by the Contractor, including specified on the Website) about the car theft, any damage to the Vehicle, its malfunctions, breakdowns, accidents, claims of third parties regarding the Vehicle or in connection with the driving of such Vehicle, the events in which the Vehicle is participating, the events which impose upon the Client the duty of communicating in accordance with the Agreement and its appendixes, as well as events and facts that may cause damage to the Vehicle, loss of the right to drive the Vehicle, the loss or disablement of the insurance policy, the registration marks for the Vehicle, the certificate of registration of the Vehicle, other documents on the Vehicle, standard car kit (first-aid kit, fire extinguisher, emergency stop sign), rugs, keys for the Vehicle, special equipment (p. 2.8.7 of the Contract), to provide reliable information about the specified facts and follow the instructions of the Contractor, as well as requirements of the current legislation;

2.25.11. in the case of an accident, an occurrence of an insured event, the Client shall follow the instructions of the Technical Service Support of the Contractor and the insurance contract, takes measures for the safety of the Vehicle, without delay (at the first physical opportunity) independently informs about it at the number 0-800-750-630 or 048-700-15-04. The client is obliged to wait for the arrival of the insurance commissioner.

- a written application for the occurrence of an insured event (accident);
- notification of an accident, "Europrotocol";
- certificate of the established form with the indication of the date, time and place of the accident, the participants in the accident, their place of residence or work, information about their driving licenses, either of them being in a state of alcoholic intoxication, the description of the damage caused to the

Vehicle that officially confirms the fact of the occurrence of the relevant accident, issued by authorized state bodies;

- resolution or determination by authority;
- in the case of theft of the Vehicle – a written statement on theft of the Vehicle, a certificate from the Ukrainian authorities on the results of the investigation of the criminal case (if applicable);
- insurance policy;
- certificate of registration of the Vehicle;
- other documents reasonably and legally required by the insurance company specified by the Contractor for making a decision on payment of insurance compensation, incl. specified in clause 2.25.9 of the Agreement.

2.25.12. In case of the Vehicle impoundment during the Session of Use, as well as outside the limits of the Use Session in connection with the actions (or inaction) of the Client, to inform immediately the Contractor Information Center about it. The client whose actions (inaction) caused the impoundment of the Vehicle is obliged to ensure, within the time specified by the Contractor, a permit to return the Vehicle from a specialized parking place (tow lot) in accordance with the procedure established by the current legislation, as well as ensure his/her participation in drawing up the report on administrative violation / the resolution on the case of an administrative offense (if necessary). This duty is entrusted to the Client, even if the Client has learned of the impoundment and towing of the Vehicle to the tow lot from the Contractor. In this case, notice to the client is the right, but not the obligation of the Contractor.

Documents required for handing over of the Vehicle from a specialized parking lot (tow lot) (including certificates, power of attorney) must be transferred by the Client to the Contractor's employees at the earliest possible date and in any way as agreed with the Contractor. If the Contractor involves the Client in the return of the Vehicle, the Contractor provides the Client with the necessary documents for obtaining a permit to return the Vehicle from a specialized parking lot (tow lot): Vehicle registration certificate, MTPL policy, a certified copy of the Agreement with the owner on using the Vehicle, a power of attorney for the Client. When returning the Vehicle to the Contractor from the specialized parking lot (tow lot) or upon the expiry of the term provided by the Contractor to the Client for organizing the return of the Vehicle from the specialized parking lot (tow lot), personally return to the Contractor all documents related to the impoundment of the Vehicle (including those specified in this paragraph).

Upon the Contractor making a decision on the return of the Vehicle by the Client, the return of the Vehicle from the specialized parking lot (tow lot) is carried out by the Client on his/her own and at his/her own expense on order from the Contractor at the required parking place of the Vehicle after receiving the Vehicle from the specialized parking lot (tow lot). Return of the Vehicle by the Client from the specialized parking lot (tow lot) is to be carried out within the terms established by the Contractor.

In case the return of the Vehicle is carried out by the Contractor's employees, the Client fully compensates the Contractor for all expenses incurred by the Contractor, including for the impoundment of the Vehicle, as well as for paying for the maintenance of the Vehicle in the specialized parking lot (tow lot).

In case the Client, within the period established by the Contractor, receives a permit to return the Vehicle from the specialized parking lot (tow lot), pays the cost of the towing services and maintenance of the Vehicle in the specialized parking lot (tow lot) (with mandatory submission of documents confirming the payment making), and also at the Contractor's request reimburses the losses incurred – he/she is exempt from penalty fee stated in clause 5.19 of the Agreement. The refusal of employees of an authorized body or a specialized parking lot (tow lot) to return the Vehicle under the condition that the Client provides these bodies and organizations with all of the above documents does not constitute exemption from penalty provision in accordance with the Agreement;

2.25.13. In case the Contractor makes a decision on receiving the documents related to an insurance case on his own, not later than 1(one) working day from the moment of receiving the relevant demand from the Contractor, to issue to the representative of the Contractor a power of attorney (and substitution) for carrying out actions to collect information and presenting their interests in the competent state authorities and territorial bodies of internal affairs;

2.25.14. in the case of a demand from a representative of the authorities, the Client is obliged to, meeting the deadline specified by the Contractor, personally appear in the territorial bodies of internal affairs and other authorities. Except for cases when the Client participated in drafting up documents that indicated the need for the Client to appear in the relevant authorities, the Contractor shall notify the Client of such need for attendance within 1 (one) working day from the moment when such demand became known to the Contractor.

2.25.15. to terminate the use of the Vehicle that is charged, the car's charge is not lower than 10%;

2.25.16. to take appropriate measures to protect your Account in the MobileCar Mobile application, including the name of the Client-User, the Login, Generated Password, Password, Codeword from unauthorized use by other persons and promptly inform the Contractor in the event that such use is discovered. The beginning of unauthorized use should be considered upon the Client receiving any information allowing to conclude that the data used may be unauthorized, in spite of the Client him/herself;

2.25.17. in case of actual change of the Contact number of the mobile phone, and other data, to inform the Contractor about it;

2.25.18. to use the Website, the mobile application MobileCar of the Contractor only for personal non-commercial purposes;

2.25.19. to monitor the Website and / or the Mobile Application on his/her own for changes in the terms of the Agreement;

2.25.20. to receive the necessary permits, documents (including a driver's license, etc.) which the Client may require in accordance with the current legislation of Ukraine when driving a Vehicle of the corresponding category B;

2.25.21. not to use any technologies and to take no action that could harm the Website and / or the MobileCar Mobile application, the interests and (or) the property of the Contractor;

2.25.22. at the end of the Session of Use, to leave the Vehicle in accordance with the terms of the Agreement with the set of documents (certificate of Vehicle registration, insurance policy), standard car kit, all accessories and additional equipment, incl. rugs, keys to the Vehicle, special equipment (clause 2.8.7 of the Agreement) that were in the Vehicle at the time of obtaining the Vehicle. In case that in the supposed place of leaving the Vehicle there is no access to the GPS system and / or to the Internet and / or mobile communication, the Client undertakes to park the Vehicle in a place where there is access to the GPS system and / or to the Internet and / or mobile communications.

2.25.23. in cases and in accordance with the procedure provided for in the Agreement and its appendixes, monitor the level of the Vehicle's charge;

2.25.24. to ensure the safety of their property on their own;

2.25.25. to comply with other regulations of the current legislation of Ukraine.

2.26. The Client has no right to change any characteristics, make improvements / impairments on the Vehicle, set (dismantle) any equipment, devices in the Vehicle, perform repairs (regardless of the degree of complexity) or organize its implementation by third parties.

2.27. The Client is not entitled to sell, deposit, dispose of the Vehicle in any other way, lose or transfer the right to own and use the Vehicle presented to the Client, or any other of his/her rights under the Agreement.

2.28. Rights of the Contractor:

2.28.1. to demand from the Client to fulfill his/her obligations under the Agreement;

2.28.2. to debit funds from the Client's bank card in payment of the Client's monetary obligations to the Contractor in accordance with the Agreement;

2.28.3. to carry out video and electronic surveillance in the Vehicle, and also to determine the procedure for the Client's access to the Vehicle in order to ensure the safety of the Vehicle of the Contractor, as well as control over proper compliance with the terms of the Agreement;

2.28.4. at any time to exercise control over the property safety of the Vehicle, the technical condition of the Vehicle, and the Client's compliance with the terms of the contract;

2.28.5. in the event that the Contractor decides that there is a risk of further use of the Vehicle, to terminate the Client's Session of Use and may provide the Client with an alternative Vehicle, in the case there is one available;

2.28.6. to make marketing special offers that include, but are not limited to, discounts on the cost of services, change in the rent fee (reservation fee for the Vehicle) or cancellation of the rent fee (reservation fee for the Vehicle) for a certain period. The rules for such special offers are posted on the Contractor's Website on the Internet (at <http://MobileCar.com.ua>). In this case, the Agreement, the Tariffs shall function together with the rules of such special offers;

2.28.7. to use facsimile reproduction of the signature of the authorized person of the Contractor (by means of mechanical or other copying) in any documents. Parties recognize the legal effect behind such documents;

2.28.8. without obtaining the additional consent of the Client, to debit funds (to transfer money) from the Client's bank card without acceptance for:

- payment for use, payment for reservation of the Vehicle and other payments accrued in accordance with the Agreement and the Tariffs, incl. fines, penalties, damages;
- postal and telegraphic and other expenses and costs of the Contractor (including commission fees) arising from the sending messages, notifications and documents to the Client in connection with not-performing or improper performing of the Agreement;
- the amounts of the Client's indebtedness to the Contractor under the Agreement, as well as any other obligations arising as a result of the harm and on other grounds provided for by the legislation of Ukraine, including the amounts of reimbursement of the Contractor's costs incurred by the Contractor through the Client's fault in connection with the Agreement;
- other amounts in cases provided for by the current legislation of Ukraine and agreements between the Contractor and the Client;

2.28.9. in case of suspicion of dishonesty in the actions of the Client (including, but not limited to, when providing false information, if it is found impossible to debit funds, etc.) to block the possibility of using the MobileCar services by the Client completely or partially without notification of the reasons for the blocking;

2.28.10. to transfer rights and obligations under this Agreement to third parties, and also involve third parties in performing certain functions under the Agreement, incl. on the basis of agency contract. Notifying the client about these circumstances is at the discretion of the Contractor;

2.28.11. to have other rights established by the Agreement and its appendixes, as well as arising from the essence of the obligations under the Agreement.

2.29. Obligations of the Contractor are:

2.29.1. to provide the Client with the Vehicle in a technically operative condition that meets the requirements for the Vehicle operation, fully complete and roadworthy, with the necessary documentation (certificate of registration of the Vehicle, insurance policy); the transfer of the specified documents is not formalized by any additional documents, but occurs simultaneously with acceptance for use of the Vehicle (clauses 5.7, 5.8 of the Rules);

2.29.2. to provide the Client with full information about the Vehicles, their types, technical characteristics (at the discretion of the Contractor), Tariffs and other information necessary for the Client in order to select a particular Vehicle (for the purposes of this Agreement) by posting such information on the Contractor's Website, as well as in the MobileCar Mobile application;

2.29.3. in due time, at his own expense, in accordance with the current legislation of Ukraine, to organize the pass of Vehicle inspection;

2.29.4. to provide the Vehicle with the necessary materials at his own expense – for the use of the Vehicle by the Client.

2.30. In the event that a Party has not exercised any rights granted to them by this Agreement, the relevant rights are not forfeited, and the Party has the right to exercise them in the future.

3. Cost of services and payment procedure

3.1. For the use of the Vehicle, the Client pays the Contractor the usage fee, and also pays for the reservation of the Vehicle services, which are calculated in accordance with the Tariffs. The Client bears the cost of paying for the use of the paid parking space (use of paid parking lots at the client's option), as it is not provided for in accordance with the Territorial Restrictions (appendix to the Agreement No. 4). The cost of using and reservation of the Vehicle is indicated in the Tariffs, applicable from the Contractor, unless otherwise provided for in the Agreement. The calculation of the cost of use or reservation, occurring at the time of changing the Tariffs, is carried out on the basis of the Tariffs applicable at the time of the beginning of the respective Sessions of Use or Reservation. Thus the total sum is rounded up to the whole sums in hryvnas.

3.2. Payments under the Agreement are carried out by debiting funds from the Client's bank card through the partner bank of the Contractor. To rent an electric car, on the payment bank card there must be an available balance of at least 1000 UAH. After the trip is completed, the amount of actually spent money for the journey is deducted from the card according to the current tariff. The difference will be instantly returned to the user on the card. MobileCar does not charge an additional commission. If the Client's bank collects interests for transferring the payment, it is necessary to contact the bank.

3.3. After receiving confirmation of registration and opening up limited access to the Services of the Site and the MobileCar Mobile application, the Client must link to the Services of the Site and the MobileCar Mobile application his bank card, from which the funds will be debited as payment under the Agreement. It is allowed to use only bank cards of VISA and MASTERCARD payment systems with the possibility of making Internet payments. The possibility of making Internet payments is provided by the Customer independently through the bank that issued the bank card. To activate the account, the client needs to replenish the account balance in the personal account for 1000 UAH. The amount of 1000 UAH. is on the account balance as a reserve for payment for services in unforeseen circumstances, for example, if your payment card does not have enough money to pay for services. Payment for renting an electric car comes from a payment card attached to your account.

3.4. When registering in the MobileCar Mobile application, the integration of the Website systems (MobileCar Mobile application) with the Client's bank card is implemented, which allows to debit the amount of money from the client's bank card as payment under obligations stipulated by the Agreement and arising from it.

3.5. Debiting the Client's bank card is carried out strictly in accordance with the Tariffs of the Contractor and other terms of the Agreement. Amount of money is deducted when the Contractor has grounds for debiting in accordance with the Agreement, including: termination of the use of the Vehicle (including the end of the Session of Use), obtaining information about the Client's violation of the terms of the Agreement and in other cases provided for by the Agreement. The Client is notified of the fact of debiting the funds in all cases, except for debiting for the usage fee (reservation fee for the Vehicle) in the absence of breach of the Agreement by the Client. Information on payments made is also stored in the Client's Personal Account in the section "Payment History".

3.6. Debiting funds from the Client's bank card for the use of the Vehicle is made by instalments equal to the amount of 60 minutes according to the tariffs that is valid at the time of use before the end of the Session of Use.

3.7. For questions regarding payment by a bank card and other questions regarding the work of the

partner-bank's website, the Client can contact the following phones: 0-800-750-630 or 048-700-15-04 or at MobileCarodessa@gmail.com

3.8. The Client gives unconditional consent to debiting funds from his/her bank card without acceptance for using the Vehicle and making other payments under this Agreement (including penalties and other payments). Debiting amounts in parts is allowed at the discretion of the Contractor.

3.9. In case of insufficient funds on the bank card and (or) on the balance in the Personal Account, or impossibility of debiting amounts from the bank card on other grounds by the Contractor, the Client undertakes to pay for using the Vehicle and (or) reservation not later than 24 hours after the end of the use of the Vehicle (in case of delay in payment according to MobileCar tariffs for the use of the Vehicle) or from the moment of receiving relevant notice / first debit (for other payments). In such a case, the Client undertakes to ensure that the balance of funds on the card is sufficient for debiting.

3.10. In case the Client does not perform the obligations provided for in this section of the Agreement, the Contractor has right to forward the relevant information (including personal data of the Client) to the authorized bodies for subjecting the Client to administrative liability, to the courts, and to organizations that carry out collecting money.

3.11. In case of erroneous fund debiting from the Client's bank card, the Client has the right to appeal to the Contractor and fill out the Application for the return of funds in free form, with a copy of the passport and documents confirming the erroneous payment (receipts, account statements). The Contractor sends this Application to the partner bank no later than 1 (one) business day, except for cases when the Client's funds have been debited in accordance with the Agreement. By agreement with the Contractor, the relevant application can be sent by the Client to the MobileCarodessa@gmail.com mail from the Client's mailbox stated in his/her Account.

The refund is to be paid to the Client's bank account specified in the Application for the return of funds, within 14 (fourteen) working days from the date of Client Registration in the mobile application.

The procedure for the return of funds is regulated by the Rules of International Payment Systems. Cash back is not allowed.

3.12. The payment service using the Internet in accordance with the Agreement is carried out through the partner bank of the Contractor in accordance with the Rules of International Payment Systems on the principles of confidentiality and security of payment, using modern methods of verification, coding and data transmission through closed communication channels. Entering and processing data of the Client's bank card is carried out on the secure payment page of the partner bank that provides the payment service.

3.16. The Agreement or certain special offers presented by the Contractor may provide for the possibility of purchasing prepaid time for using the MobileCar service (Minute packages).

3.17 In case of termination of the use of the service, received payments that were credited to the account personal account in the Application can be used by the client as payment for the trip. To do this, we ask you to contact the support service, indicating to the operator about the purpose of using the received payments as payment for the trip. After their use, the status "Retired" is assigned. For re-activation, the amount of the security deposit will be 1250 UAH.

4. Period of Use

4.1. The period of use of the Vehicle is measured in minutes and can not exceed 23 hours 59 minutes. At the same time, the time of use for the purposes of paying under the Tariffs is rounded up to minutes. The period of use is determined by the actual time of use (during the Session of Use) of the Vehicle by the Client.

4.2. The Use of the Vehicle is also terminated in cases specified in clause 2.28.5 of the Agreement, in case of theft of the Vehicle, by agreement with the Technical Service, provided that the Client complies with the terms and conditions stipulated in 2.28.9 regarding the notice to the Contractor, as well as in other cases stipulated by the Agreement.

5. Responsibility

5.1. For failure to perform or improper performance of the Agreement, the Parties bear responsibility in accordance with the current legislation of Ukraine with additions, clarifications, and exceptions specified by the Agreement.

5.2. In the event of the Client's not-fulfilling any obligations provided for in the Agreement or arising from it and if necessary to provide the Client with the relevant information, the Contractor is entitled to contact the Client by any available means of communication (including by phone) using the information available to the Contractor.

5.3. The Contractor has the right to withdraw the vehicle from the Client without further notice if the Client has more than 24-hours debt, and take measures to stop using the vehicle. At the same time, the Contractor does not bear responsibility for the safety of the Client's belongings that are in the withdrawn vehicle – the Client undertakes measures to ensure the safety of his/her property.

5.4. For failure to perform or improper performance of the terms of the Agreement, the Client agrees to pay fines in the amount specified in the Agreement and the Penalty System (Appendix No. 2 to the Agreement), and also fully compensate the losses caused to the Contractor.

The amount of collection from the Client in favor of the Contractor in one case of damage to the vehicle if there are grounds for reimbursement in accordance with the Agreement may not exceed 10,000 (ten

thousand) UAH. This restriction does not apply to cases when the Client did not fulfill the obligations related to damage to the vehicle, road accidents (including those stipulated by clauses 2.25.9, 2.25.14), was in a state of intoxication (clause 5.14 of the Agreement), and also to the Customer's obligation to reimburse the Contractor for the expenses incurred by him in connection with the organization of collection of the Client's debt that was not paid by the Customer at the expiration of the period specified in the notice of collection or in the claim for payment of debts: expenses for pre-trial settlement, court expenses, incl. involving outside specialists, getting legal and other consultations, postal expenses, etc.).

5.5. The Client (except for the exemptions expressly identified by the Agreement as an exemption from the general rule) reimburses the Contractor for the losses incurred by the latter, costs and expenses, incl. arising as a result of the violation by the Client of the current legislation of Ukraine and the provisions of the Agreement during the Session of Use of the Vehicle and also after the end of the Session of Use of Vehicle if the reasons for such costs were the actions (inaction) of the Client, including but not limited to: fines, penalties, also imposed by the authorities for violation of traffic rules, parking rules, other requirements of the current legislation on road safety or related to the use of the Vehicle by the Client, or arising from the use of the Vehicle by the Client; losses related to the condition of the used vehicle at the time of return, incl. due to abnormal wear and tear; expenses for impoundment payments; expenses for payment for the location of the vehicle on a specialized (tow lot) parking lot; expenses of the Contractor for obligations to third parties arising in connection with the actions (inaction) of the Client, violating the terms of the Agreement and (or) the current legislation; services of the appraiser, experts, expert and other organizations – in connection with the conducting of certain examinations; legal services; commission fee charged by organizations (including credit ones) upon payment by the Contractor of funds amounting to expenses in accordance with this clause; costs associated with claims of third parties in connection with the use of the Vehicle by the Client; monetary compensation for administration (clause 5.26 of the Agreement, including for the identification, processing, identification of the Client, formation and forwarding of notification of violation to the Client) of fines under the Agreement, compensation payments and other debits (except for payments for compensation for lost profits).

5.6. The client bears the risk of car theft, destruction, damage to the vehicle, its components, devices and / or equipment, damage to third parties, other vehicles or objects, including in case of an accident – from the beginning of the Session of Use until its termination, and in cases when the actions (inaction) of the Client caused the occurrence of the above negative consequences, including in case of leaving the Vehicle with violations of the Agreement – also after the termination of the Vehicle Session if these risks are not covered by insurance compensation.

5.7. The Client undertakes to indemnify the Contractor for the expenses not covered by insurance compensation, which the Contractor incurred in connection with damage caused to the used vehicle, to another vehicle (other property, life or health of the person or animal) used by the Client during the Session of Use. The amount of the deductible is 8000 UAH.

5.8. In the event that due to the Client's actions (inaction) that led to the refusal of paying the insurance indemnity (including the incorrect execution of the accident documents), the Client reimburses the Contractor for losses incurred by the Contractor in connection with this circumstance. In the event of loss of the vehicle, the Customer reimburses the Contractor for the losses caused by this in the amount of the insurance payment, taking into account the amortization of the rented vehicle according to the rules of the insurance company specified by the Contractor, according to the valid insurance policy at the time of loss.

5.9. The payment of administrative fines for violation of the current legislation by the Client on offenses recorded with the help of automatic fixation means (camera), as well as fines that were exposed directly to the Contractor or to the owners of the Vehicle, is carried out by the Contractor and (or) the owner of the Vehicle at their own discretion, as persons to whom a ruling on the case of an administrative offense was issued.

The grounds for collecting amounts from the Client for the subsequent payment of a fine imposed on the Contractor or the owner of the Vehicle results into receiving by the Contractor the information (administrative decision on the case of an administrative offense, data from open sources) on an administrative fine during the Session of the Client's use of the relevant Vehicle.

The Client is obliged to pay the amounts exposed to him by the Contractor, regardless of whether the fine was actually imposed to the Contractor or the owner of the Vehicle. After paying these amounts, the Client is released from any claims from the Contractor or the owner of the Vehicle regarding the corresponding penalties imposed to the Contractor or the owner of the Vehicle.

5.10. In case of damage to the rented vehicle, including as a result of an accident that occurred due to the Client's fault, the Client pays the Contractor a fine of: 900 (nine hundred) UAH per day for demurrage – in the event that the inspection of the vehicle carried out by the Contractor with account taken of clause 2.8.8 of the Agreement established damage to not more than 1 (one) body element of the vehicle (except for the hood, doors, luggage compartment door, roof) in the form of scrapes, scratches, chips;

5.11. In case of unauthorized applying of stickers, or removal of the Contractor's Trade Mark, as well as other stickers on the vehicle or other damage to the appearance of the vehicle, the Client pays a fine in the amount of 2000 (two thousand) UAH.

5.12. In case of unauthorized disconnection or damage to the GPS tracker (GPS device), the Client pays the Contractor a fine in the amount of 10,000 (ten thousand) UAH.

5.13. In case of not-submitting or untimely submission of documents, failure to comply with the requirements specified in clauses 2.25.10-2.25.14 of the Agreement, the Client is obliged to fully compensate the Contractor for the damage caused to the Vehicle, the Contractor's losses and to pay to the Contractor a fine of 4,500 (four thousand five hundred) UAH.

5.14. In the event that the Client was driving (including driving a rented vehicle) in a state of alcoholic, narcotic, toxic or other intoxication, as well as if the Client transferred driving to a third person in a state of such intoxication, the Client pays the Contractor a fine of 25 000 (twenty five thousand) UAH. In case of transfer of control to a third person who is in a state of alcohol, narcotic, toxic or other intoxication, the penalty provided for in this clause and the penalty provided for in clause 5.17 of the Contract shall be summarized.

5.15. In case of violation of cl. 2.5 of the Agreement, the Client pays the Contractor a fine in the amount of 4,500 (four thousand five hundred) UAH and reimburses the Contractor.

5.16. In case of loss or damage to documents on the vehicle (registration and insurance, other documents on the vehicle (in the glove compartment, as well as in the sun visor), the Client pays the Contractor a fine in the amount of 1,800 (one thousand eight hundred) UAH, and in case of loss or damage to the standard car kit (first aid kit, fire extinguisher, emergency stop sign), accessories and additional equipment, including rugs, keys to the vehicle, special equipment (clause 2.8.7 of the Agreement), registration signs of the vehicle – a fine of 1 800 (one thousand eight hundred) UAH and compensation to the Contractor for costs associated with the restoration (obtaining) of lost documents and items, restoration (purchase) of mentioned accessories, equipment and devices.

5.17. In case of making the vehicle dirty, leaving garbage, and smoking in the vehicle, the Client pays the Contractor a fine in the amount of 2000 (two thousand) UAH, and also reimburses the Contractor's expenses for dry cleaning and cleaning of the vehicle.

5.18. If the Vehicle is left (regardless of the mode of use of the vehicle) outside the Permitted Zone (clause 2.7), on the territory without open access, on the territory of a closed, paid or specialized parking lot, on the territory for which access is required, with violation of the Traffic Road Regulations, the Client is to pay to the Contractor a fine in the amount of 2,000 (two thousand) UAH and reasonably determined by the Contractor compensation of the Contractor's costs for moving the vehicle to the Permitted Zone (clause 2.7 of the Agreement)

5.19. If the Client intends to complete the lease outside the permitted zone (clause 2.7 of the Agreement), he must notify the Company employees in advance and pay the cost of the service in the amount of 200 (two hundred) hryvnias, provided that the lease is not completed on the territory, in which there is no general access, in the territory of closed, paid or specialized parking, in the territory for which access is necessary permission, leaving with violation of traffic rules

5.20. At the end of the Session of Use of the Vehicle with a charge less than 10%, and without informing the operator about it in advance, the Client pays the Contractor a fine of 500 (five hundred) UAH.

5.21. If the Client violates clause 2.25.21 of the Agreement, the Client pays the Contractor a fine in the amount of 1,500 (one thousand five hundred) UAH.

5.22. For sending messages that contain obscene or offensive language, threats to life and health of the company employees, or the presentation of the above verbally the Client pays the Contractor a fine of 500 (five hundred) UAH for each such case.

5.23. Malfunctions resulting from abnormal vehicle operation, in addition to the instructions for determining normal wear and tear:

5.23.1. mechanical damages of suspension elements, running gear, braking system, tires, wheel caps, wheel covers, other elements and systems;

5.23.2. mechanical damage to body parts, glazing, light devices;

5.23.3. mechanical damage to the interior, luggage compartment and / or cargo compartment;

5.23.4. damage of running, steering gear, charging equipment, cooling system, air conditioning system, control devices and elements, security systems and other vehicle systems if it is caused by a violation of the operating rules established by the vehicle manufacturer or by improper handling by the Client and confirmed by the conclusion of an expert stated by the Contractor;

5.23.5. damage caused by prohibited use, as defined by the vehicle manufacturer or the Agreement.

5.23.6. Other malfunctions caused by violations of operating conditions determined by the vehicle manufacturer and confirmed by the conclusion of the service center specified by the Contractor or by an independent expert.

5.24. The Client agrees that the amount of the Contractor's losses caused by the inability to use the Vehicle due to the Client's violations of the provisions of the Agreement by the Client is calculated including as the number of minutes during which the vehicle could not be used due to such violations of the Agreement (for example, from the moment of impoundment of the vehicle to its leaving the specialized parking lot) multiplied by the cost of locating the vehicle in the Standby Mode in accordance with the General Tariff.

5.25. The Client agrees that the Contractor's expenses for the administration of fines, compensation

payments and other debits (with the exception of payments for the use and reservation of the vehicle) are 10% of the debited amount. In the event that the payment of a fine for violation of the Traffic Road Regulations by the Client, fixed with the use of special technical means working in automatic mode and having the functions of taking photos and filming, video recording, or photo and filming devices, is carried out within 10 (ten) days from the date of the imposed administrative fine, the amount for administration of the debit increases in proportion to the total amount of the imposed administrative fine.

5.26. The Contractor is not liable for the use of the MobileCar Mobile Application from the Client's Mobile Device by third parties, in this connection all actions and instructions performed from the Client's mobile device are considered to be outgoing respectively from the Client.

5.27. The Contractor does not guarantee that the Website and / or MobileCar Mobile application will work uninterruptedly, will not contain errors and / or viruses. The Client agrees and acknowledges that he/she uses the Website and / or the MobileCar Mobile application solely at his/her own risk. The Contractor shall not be liable for any direct damage, any indirect, incidental, punitive or consequential damages caused as a result of the Client's use or inability to use Website and / or the MobileCar Mobile application.

5.28. If the Client exceeds the speed limit according to the Traffic Road Regulations, the Contractor makes a verbal warning for the first time, the second time – a fine is set at 200 UAH, the third time – 500 UAH, the fourth time – blocking of the account.

6. Term of the Agreement, amending and termination of the Agreement. Account Blocking

6.1. The Agreement is valid for an unlimited period from the moment of entering into the Agreement in accordance with clauses 2.12-2.17 of the Agreement.

6.2. In accordance with Art. 651 of the Civil Code of Ukraine the parties agreed that the Contractor has the right to amend the terms of the Agreement, Tariffs, other appendixes to the Agreement. At the same time, the changes made by the Contractor in:

6.2.1. The Agreement, as the new edition of the Agreement, become binding for the Parties from the date of posting by the Contractor the new version of the Agreement, or changes made to the Agreement, on the official website of the Contractor on the internet at <http://MobileCar.com.ua>, unless another term is set by the Contractor and posted on the Website. Upon the Contractor's decision, the terms and conditions of the Agreement that improve the Clients' position may extend to the relations that arose before the entry into force of such changes – except for cases when the Client expressed his/her disagreement that the newly introduced conditions were applied to him/her. The Contractor reserves the right to notify the Clients about making changes to the Agreement in the ways indicated in clauses 2.18-2.22 of the Agreement;

6.2.2. new Tariffs become mandatory for the Parties from the date of introduction of a new edition of the Tariffs (additions to the Tariffs edition) and posting by the Contractor a new version of the Tariffs (additions to the Tariffs edition) on the official Website of the Contractor on the Internet at <http://MobileCar.com.ua>.

6.3. In case the Client does not agree with the amendments, he/she is entitled to unilaterally repudiate the Agreement (clause 6.4 of the Agreement) while observing the obligations for payment (use, penalties, compensation and other payments) arising during the validity period of the Agreement or in connection with the performance, non-performance, improper performing of the Agreement. Repudiation of the Agreement does not exempt the Client from performing his/her obligations arising prior to termination of relations under the Agreement. In the event that the Client has not filed an application for termination of the Agreement in accordance with the Agreement (clause 6.4 of the Agreement), the Parties consider that the Client supports and agrees with the amendments to the Agreement (its appendixes, including Tariffs). The Client independently monitors the Website and / or the Mobile Application for changes in the terms of the Agreement. The risk of non-compliance with this requirement is fully borne by the Client. The provisions of this paragraph shall not apply to changes in the Tariffs within the framework of conducting special offers: such Tariffs shall be valid for the period indicated in the relevant notice (message on the Website, Mobile Application) about the special offer.

6.4. The Party has the right to unilaterally repudiate the Agreement by notifying the other Party about this with the date of termination of the relations under the Agreement. The Client is obliged to fulfill all his/her obligations arising from the Agreement, not later than the date of termination of the Agreement.

6.5. . The Contractor has the right to refuse unilaterally and unjudicially from performing the Agreement (to terminate relations with the Client under the Agreement) in the following cases:

6.6.1. violation by the Client of the terms and conditions stipulated in the Agreement, incl. requirements to the Client;

6.6.2. repeated violation of the Traffic Road Regulations by the Client, other requirements of the legislation of Ukraine;

6.6.3. Client's actions lead to deterioration of the technical condition of the vehicle;

6.6.4. damage to the vehicle in the event that the Contractor has reason to believe that the Client's actions were their cause;

6.6.5. in the event that the Contractor has reason to believe that the Client will violate the terms of the Agreement, fail to fulfill its obligations or obstruct the Contractor.

In this case, the Agreement is terminated at the moment of sending to the Client the relevant

notification via the MobileCar Mobile application, or displaying information in the Personal Account and / or on the Website, or send SMS messages, or via e-mail. In the event that, at the time of notification, the Vehicle Session is not terminated, the Client undertakes to immediately terminate the Session of Use in compliance with the requirements for the termination of the Session of Use and Vehicle Parking. The Client is responsible until the end of the Session.

6.7. Termination of the Agreement on any possible grounds is not grounds for discharging the Parties from performing obligations for payment (use, fines, compensation, commissions and other payments).

6.8. The Contractor has the right to block the Client's Account in cases specified in clause 6.6 of the Agreement, and also if there are the following circumstances:

6.8.1. in case of suspicion of dishonesty in the Client's actions (including, but not limited to, when providing false information, impossibility to debit funds, etc.) to block the Client's ability of using the MobileCar services completely or in part without notifying him/her of the reasons for the blockage;

6.8.2. If the Client has unpaid debts;

6.8.3. In the case of the Client's rude behavior;

6.8.4. In cases of the Client's attempts to mislead the Contractor;

6.8.5. In cases of failure to comply with the requirements of the Contractor provided for or arising from the Agreement;

6.8.6. In cases when the Client does not meet (ceased to meet) the requirements set by the Contractor for the Client related to the possibility of using the Vehicle under the Agreement;

6.8.7. In other cases, when violations by the Client of the Agreement in the opinion of the Contractor exclude the Client's ability to use the MobileCar service.

6.9. Blocking the Client's Account means limitation of the functionality of the Client's Account, as a result of which the Client can not submit an Application for the Use of the Vehicle, make a reservation, use the Vehicle, and also some other actions that are included in the scope of the rights of the unblocked Client's Account. The Client is not individually informed about the blocking of the Client's Account insofar as from the moment of blocking it will be impossible to perform actions for applying for use, booking, renting a vehicle, or performing some other actions.

6.10. The cancellation of the blocking of the Client's Account may be due to the expiry of a certain period of time, the fulfillment by the Client of his/her obligations, the elimination of circumstances that are the grounds for blocking. In addition, account blocking can be established for the period of making a decision on the expediency of further interaction with the Client under the Agreement.

6.11. The Customer agrees that blocking of the Client's Account in accordance with the Agreement is not the basis for the presentation of any claims by the Client, incl. requirements related to the provision of a vehicle for use.

7. Procedure for Settling Disputes

7.1. All disputes and disagreements are settled by the Parties through negotiations. The time for consideration of the claim by the Party can not exceed 10 (ten) working days. All the Client's claims shall be sent in written form with a Client's handwritten signature to the mailing address of the Contractor in a way that confirms receiving the relevant document by the addressee and allows identifying the sender. The answer to the Client's claim can be sent to the Client by the Contractor via e-mail.

7.2. If the parties have not reached a settlement through negotiations, disputes and disagreements are submitted to the court decision in accordance with the current legislation of Ukraine.

8. Other conditions

8.1. Any correspondence, telephone and other negotiations that took place before the entering into the Agreement, lose legal effect from the moment of concluding the Agreement.

8.2. Since concluding the Agreement the Parties recognize the legal force behind the documents (including exemption of clause 7.1 of the Agreement and in other cases directly specified in the Agreement) sent by e-mail (e-mail addresses and postal address of the Contractor specified in the Agreement and e-mail addresses and postal address of the Client indicated in the Confirmation of Accession), agree with the fact that these documents are equivalent to documents made on paper and signed by the handwritten signature of the respective authorized person in so far as only those persons authorized to sign the relevant documents have access to the relevant e-mail addresses and passwords and are obliged to keep them confidential and not to allow their use by third parties.

8.3. Similarly (paragraph 8.2 of the Agreement), the Parties recognize the validity of messages and actions, respectively, directed and performed through the use of the MobileCar Mobile application or the Website on behalf of the Client (using the Client's Account), and also using the telephone number specified by the Client in so far as only the Client has access to the corresponding Personal Account (to the Client's Account) and to the telephone number; the Client undertakes to keep all possible Passwords, Generated Passwords, Logins, Codeword and codes necessary for using the Personal Account (the Client's Account), and the phone number a secret and not allow third parties to use them.

8.4. Messages sent to e-mail are considered received by the addressee at the time of their sending. The Contractor has the right to leave without response on the merits when messages contain obscene or offensive language, threats to life and health of the Company's employees, property of the Company or its employees,

informing the complainant of the inadmissibility of such conduct, and setting a fine in accordance with the Agreement.

8.5. Current information on the terms of the Agreement is available on the Website and MobileCar Mobile application. In the event of a contradiction in the version of the Agreement posted on the Website and the version of the Agreement posted in the MobileCar Mobile application, the version of the Agreement posted on the Website is used.

8.6. The Client undertakes to notify the Contractor of the change in the place of residence (registration), location, phone numbers, mobile phone numbers, e-mail address, other data provided by the Client to the Contractor, the change in name, surname, change of details of the identity document, change of the details of the driving license or disqualification from driving, change of the data of the document confirming the right of a foreign citizen / stateless person to stay (reside) on the territory of Ukraine, change of citizenship, other personal data, as well as data that make up the Client's Account, information about the disclosure to the third parties of the Login and / or the Password (Generated password), the Codeword, as well as about their loss or any circumstances that jeopardize the preservation of the Login, the Password, (Generated password), the Codeword a secret by contacting the Information Center of the Contractor and following the requirements of the Information Center Operator arising from the need for Client Identification and confirmation of the facts reported by the Client in accordance with this clause of the Agreement. The Contractor is not liable for any consequences related to the change of the Client's data specified in this clause of the Agreement, as well as for the conduct of actions with the Client's Account, if the Client has not notified the Contractor about circumstances specified in this clause of the Agreement, and / or provided the Contractor with incorrect data.

8.7. All appendixes to the Agreement, including those posted on the Website or in the Mobile Application are its integral part.

4. Procedure for Registration and Authorization

4.1. In order to ensure the possibility of performing actions aimed at selecting, submitting an application for using the vehicle, reserving the vehicle, using the vehicle within the framework of the Agreement, the services of the Website are used, as well as MobileCar Mobile application.

4.2. With the MobileCar Mobile application, it is possible to make a choice, send applications for the use of the vehicle, book a vehicle, perform actions within the Session of Use, as well as perform other actions with the Vehicle provided for by the Agreement and technically provided by the MobileCar Website and Mobile application respectively.

4.3. The use of MobileCar Mobile application services is possible only if the Client is registered as a user in the MobileCar Mobile Application and authorized respectively in the MobileCar Mobile application in accordance with the actions set in the MobileCar Mobile application.

4.4. For Client Registration in the MobileCar Mobile application, the Client provides the required information about him/herself, including his/her personal data:

- surname, first name, patronymic;
- the number of the mobile phone registered to the Client;
- e-mail;
- a codeword
- password

In addition, the Client submits to the Contractor, through the technical capabilities of the Website or the MobileCar Mobile application, a scanned copy (photo) of the passport and driver's license (in full).

To continue registration, the Client is obliged to put in the appropriate field a note on consent to the processing of personal data, familiarization with the terms of the Agreement and acceptance of the terms of the Agreement.

After specifying the data listed in this paragraph and sending the scanned copies (photos) of documents, the Client is notified via an SMS message about the need to complete the registration. At this stage, in order to complete the registration procedure, the User must link his mobile card (VISA or MASTERCARD) to the MobileCar Mobile Application service, from which the funds will be debited as payment under the Agreement, and which allows Internet payments to be made. The linking of the bank card is carried out at the interaction (redirection from the Site or the MobileCar Mobile application) of the User with

the partner bank of the Company.

4.5. The Client agrees that when linking (integrating) the Customer's bank card into the MobileCar Mobile application, the Contractor's partner bank as a check of the possibility of debiting the funds from the Customer's bank card shall debit the Customer's bank card of a cash amount not exceeding 300 UAH.

4.6. The Contractor shall verify the data submitted by the Client within 3 days.

4.7. In the event that the Client provides inaccurate information or unreadable information, or if the Contractor has reason to believe that the information provided by the Client is invalid, the Contractor has the right, at his discretion, to block the Client's access to use the service (or its individual functions) of the MobileCar Mobile application associated with the performing the Agreement, and also to delete the Client's Account.

4.8. After the Contractor receives the confirmation of the accession to the Agreement signed by the Client, the Client Registration is completed and the Account is activated.

4.9. Upon the end of the Client's registration, access to the MobileCar Mobile application service is provided when the Login and Password (Generated Password) are entered.

4.10. Authorization is performed when entering the Login and Password (Generated password). The Contractor has the right to establish the requirements for the Password and not allow the use of Passwords that do not meet such requirements.

4.11. After the Client's Authorization in MobileCar Mobile application, the Client has the right to use the MobileCar Mobile application service, which provides the opportunity to choose, apply for the use of the vehicle, book, and use an available vehicle in accordance with the Agreement.

4.12. The Client undertakes to keep confidential information about the Login and Password (Generated password), as well as other personal data, including those by means of which access to the services of the Website or the MobileCar Mobile application on behalf of the Client can be obtained. In case of loss of the Login, Password (Generated password), codeword, or if there are reasons to believe that this data (as well as other personal data) was taken by a third party, the Client must, using the contact information specified by him/her when registering, file a request to the Contractor to block the Account and choose a different Password, and upon agreement with the Contractor, also the Login. Request for blocking of the Account is considered by the Contractor within 1 (one) hour from the moment of sending the request. All risks arising from not-fulfilling of this obligation by the Client lie on the Client.

4.13. Upon the end of the registration, all calls to the Contractor's Information Center are made from the registered and confirmed contact number of the mobile phone or other phone on conditions that the Client provides personal data and the Client's codeword.

4.14. The Client can change the contact number of the mobile phone by providing a relevant written application to the Contractor at the email address mobilecarodessa@gmail.com. The Contractor notifies the Client of the change of the contact number of the mobile phone by sending an SMS message to the new contact number of the mobile phone.

4.15. The Client confirms that all actions performed using the Client's Account after Client Authorization in the Mobile Application using the Login and Password of the Client Account are the Client's actions.

5. The Procedure for Applying for the Use of the Vehicle. Reservation of the vehicle. Beginning and end of the Session of Use

5.1. The client chooses any available vehicle on the Website or MobileCar Mobile application, determining the location of the vehicle, while being guided by the principle of sufficient funds on his/her bank card to pay for using the vehicle.

5.2. The client submits an application for the use of the vehicle using the functionality of the Website or via the mobile application MobileCar. After selecting the vehicle, the Client presses the "Reservation" button, after which the application for the use of the vehicle is considered to be submitted.

5.3. The application for reservation of the Vehicle is valid 20 (twenty) minutes from the moment of its submission. During the validity of the application, the Client undertakes to start the Session of Use or refuse to use the Vehicle (cancellation of the application for the use of the Vehicle).

5.4. In the event that within 20 minutes from the moment of fixing the relevant application of the Customer, the Session of Use of the vehicle was not started, the reservation is automatically transferred to the Standby mode according to the current tariff.

5.5. The Client has the right to cancel the application for the use of the Vehicle, as well as to terminate the reservation, at any time prior to the start of Use in the MobileCar Mobile Application. The cancellation of the application for the use is allowed three times within 24 hours from the date of submission of the first application for the use of the vehicle.

5.6. After the cancellation of the second consecutive application for the use of the vehicle without the beginning of the Session of use, only the Reservation of the Vehicle is allowed in accordance with the Tariffs. The possibility of applying for the use of the vehicle is activated 24 hours after the last cancellation of the application for the use of the vehicle (for the Mobile application – provided the Mobile application is re-entered).

5.7. To unlock the doors of the vehicle and perform the actions stipulated in cl. 5.16-5.19 of the Rules, the Client presses the "Start using" button in the Mobile application. Within 3 (three) minutes from the moment of pressing the button "Start using" in order to implement the actions specified in cl. 5.16-5.19 of the Rules, the rent (reservation fee for the vehicle) is not charged.

5.8. By pressing the "Start using" button in the MobileCar Mobile application, the Client confirms the performing of the actions specified in cl. 5.16-5.19 of the Rules, and also confirms the obtaining of the Vehicle. The fulfillment of this action by the Client is equivalent to receiving the Vehicle under the act of transfer and does not require the execution of any additional documents.

5.9. It is possible to get out of the Vehicle without stopping the Session of Use, it is necessary to stop the engine, put the transmission lever in the "P" mode, raise the windows of all doors, exit the vehicle, close the doors and in the MobileCar Mobile application press the "Close" button, so the car is put into the Standby mode and charged according to the standby tariff. In this case, the vehicle automatically closes. It is possible to open the vehicle using the MobileCar Mobile application by pressing the "Open" button and continue the trip according to the Basic Tariff.

5.10. The end of the use of the vehicle is carried out on condition that the engine of the vehicle is switched off and the transmission lever is shifted to the "P" mode, raising the windows of all doors. After getting out of the Vehicle, the Client presses the "End using" button in the MobileCar Mobile application, in which case the Vehicle automatically closes. From the moment the "End using" button is pressed, the Session of Use of the Vehicle is completed.

5.11. Leaving the Vehicle is allowed only with observance of the requirements established by the Agreement, by the order of actions established by the Rules (the Standby mode or the completion of the Session of Use).

5.12. The period of the use of the vehicle is calculated from the moment the button "Start using" is pressed in the MobileCar Mobile application, before the actual end of the Session of Use of a particular vehicle by the Client. The actual end of the Session of Use is confirmed by clicking the "End Using" button in the MobileCar Mobile application. End of the Session of Use of the Vehicle during the impoundment of the vehicle, in the special penalty parking lot is allowed only upon agreement with the Contractor.

5.13. When sending an application for the use of the vehicle via the mobile application MobileCar, as well as when reserving the vehicle, the Client can activate the alarm signal selected for using the vehicle (reserved vehicle) (periodic flashing of the vehicle's parking lights) for a more convenient search for the vehicle.

Submission of an application for use of the Vehicle via the Information Center of the Contractor

5.14. In exceptional cases, if the MobileCar Mobile application can not be used, the Client has the right to perform the actions stipulated in cl. 5.9-5.13 by contacting the Contractor's Information Center by phone 048-700-15-04 or 0-800-750-630 or by e-mail MobileCarodessa@gmail.com, and inform about the problems encountered. The client is obliged to act in accordance with the instructions of the dispatcher.

5.15. For the purposes of Client Identification, when calling the Contractor's information center, it may be necessary to communicate personal data, as well as the codeword. The Operator of the Information Center of the Contractor offers the Client the nearest available vehicle, indicates its location and, if the application for the use or reservation of the vehicle is successfully submitted, informs the Client about the fact, respectively, of applying for the use of the vehicle or the reservation.

Actions before the beginning of the Session of Use

5.16. Prior to the beginning of the Session of Use of the Vehicle, the Client is obliged to inspect the vehicle for any shortcomings of the vehicle, including: external damage, damage inside the vehicle, incl. dirtying of the passenger compartment, presence (damage) of registration and insurance documents on the vehicle (in the glove compartment, as well as in the sun visor), standard car kit (first aid kit, fire extinguisher, emergency stop sign), all accessories and additional equipment, incl. rugs, keys to the vehicle, special equipment (clause 2.8.7 of the Agreement), registration marks of the vehicle, and, in case of damage, record photos and report any shortcomings, including damage, dirtying and (or) the absence of specified documents to the Contractor through the Information Center of the Contractor. Photos with the recording of damages are sent by e-mail to the Information Center of the Contractor to the address: MobileCarodessa@gmail.com Not notifying about external damages, damages inside the vehicle, incl. about the dirtying of the passenger compartment or other shortcomings of the vehicle, the absence or damage of registration and insurance documents on the vehicle, means that the Client has obtained the vehicle in the proper condition without external damage, chips, scratches, with the presence of all documents specified in this clause.

5.17. Use of the Vehicle when detecting damage or other shortcomings, incl. in the absence (damage) of registration or insurance documents on the Vehicle – is not allowed without the consent of the Contractor. Damage assessment is performed by the Contractor in accordance with the instructions for determining normal wear and tear.

5.18. If the external damage or shortcomings of the vehicle, the absence or of damage to documents and items specified in clause 5.16 of the Rules have not been detected by the Client, the Client performs the actions provided for in clause 5.8 of the Rules (accepting of the vehicle by clicking the "Sign" button).

5.19. Upon receiving a message on the presence of damage to the vehicle, as well as about the garbage

inside the vehicle, trunk of the vehicle, internal damage to the vehicle, absence of documents specified in clause 5.16 of the Rules, other shortcomings impeding the operation of the vehicle, the Client refuses to accept the vehicle (pressing the "Cancel" button), and the Contractor may provide other available vehicle for use according to the Agreement or by agreement with the dispatcher (operator) to make a trip.

Actions in case of a road traffic accident

5.20. In the event of a road traffic accident, the Client undertakes to perform all the necessary actions provided for by the current legislation of Ukraine and the Agreement with regard to the participant in the accident. In addition to the specified actions, the Client undertakes to notify the Contractor (Information Center) of the accident immediately and follow the instructions of the Contractor. The first step in the event of an accident is to report at the number 0-800-750-630 or 048-700-15-04 and follow the instructions of the dispatcher (operator).

6. Vehicle charging

6.1. The vehicle is charged by the Contractor.

6.2. The client is obliged to inform the Contractor about the battery charged below 20% on the phone 048-700-15-04 or 0-800-750-630

7. Bonuses and special offers

7.1. The Contractor reserves the right to establish various bonuses for clients, conduct special offers, expressed in the provision of certain Contractor's favourable terms for using the MobileCar service (including booking, Service, etc.).

7.2. Bonuses are not given in cash or other equivalent. Bonuses can be used only for the purposes of using MobileCar services, unless otherwise provided by the relevant special offers conducted by the Contractor. The accounting of bonuses in grivnas is carried out exclusively for the convenience of accounting bonuses.

7.3. Bonuses, expressed in the provision of additional time, represent the transfer to the Customer's Bonus Account the equivalent of the cost of the corresponding number of minutes for a particular tariff in accordance with the terms of the bonus special offer.

7.4. Bonuses are credited, as a rule, during twenty-four hours following the day when the Client fulfills the conditions for obtaining the corresponding bonus. The use of bonuses credited to the Bonus Account is possible only after they have been credited.

7.5. Unless otherwise provided by the terms of the specific bonus special offer, at the end of the Session of Use, the debit from the Bonus Account is equivalent to the equivalent of the cost of minutes for a given tariff is carried out in the first place.

7.6. Bonuses and special offers are approved by the Contractor, their conditions are posted on the Website, in the Mobile application.

7.7. Discounts (reduction of the cost of using MobileCar services) are not summarized and can be used by the Customer only on one basis – for which the maximum discount is provided.

7.8. The Contractor has the right to cancel Bonuses from the Client's Bonus Account in case the Contractor determines that the Client is abusing his/her rights to receive bonuses or on their use, including, but not limited to: distributes the given to him/her passwords or codes among an undefined circle of persons; carries out paid transfer of passwords and codes.
